b. This Contract of Carriage is subject to applicable laws, regulations, Rules, and security directives imposed by governmental agencies, including but not limited to those imposed during or as a result of a national emergency, war, civil unrest or terrorist activities. In the event of a conflict between the Rules contained herein and such government laws, regulations, Rules, security directives and their corresponding effects on Ravn’s operation, the latter shall prevail.

c. Whether a Ticket for transportation on Ravn was sold by Ravn or its authorized agents (including other carriers acting on behalf of Ravn), the
Rules herein is applicable to transportation only on Ravn. Under arrangements with Ravn, independent carriers may provide Interline Transportation or codeshare services. Travel on those independent carriers is subject to the terms and conditions of the Contract of Carriage of the independent carriers, which may differ from Ravn’s Contract of Carriage.

e. Except as otherwise provided within specific fare Rules, transportation is subject to the Contract of Carriage and charges in effect on the date on which the Ticket is issued. References to pages, Rules, items and notes are coterminous and include revisions, supplements and reissues thereof.

f. Where the Ticket has been purchased and issued before the effective date of an increase in the applicable fare, the increase will not be collected, provided there is no change in Origin, Destination, Stopover point(s), flight(s) or dates shown on the original Ticket. These provisions apply whether an increase results from a change in fare level, a change in conditions governing the fare, or a cancellation of the fare itself.

g. Ravn will be responsible for the furnishing of transportation only over its own lines. When Ravn undertakes to issue a Ticket, check baggage, or make any other arrangements for transportation over the lines of any other carrier (whether or not such transportation is part of a through service), Ravn will act only as agent for the other carrier and will assume no responsibility for the acts or omissions of such other carrier.

h. The terms and conditions specified in this Contract may be altered, amended, modified, appended, deleted, or otherwise changed without advance notice.

i. No employee or agent of Ravn has the authority to alter, modify, or waive any provision of the Contract of Carriage unless authorized by a corporate officer or General Manager of Ravn. Ravn’s appointed agents and representatives are only authorized to sell Tickets for air transportation pursuant to approved fares, Rules, and regulations of Ravn. Failure or delay on the part of either party to exercise any right or power herein shall not operate as a waiver thereof.

k. Ravn’s obligations hereunder extend only to the Ticketed Passenger. There are no third-party beneficiaries to these Rules.

l. Except where provided otherwise by law, Ravn’s conditions of carriage, Rules and tariffs are subject to change without notice, provided that no
such change shall apply to Tickets issued prior to the effective date of such change.
m. The invalidity of any provision herein by local law shall not affect the validity of any other provision that shall remain in full force and effect.
n. If Ravn makes arrangements for Passengers with any third-party to provide any services other than carriage by air, or if Ravn issues a ticket or voucher relating to transportation or services (other than carriage by air) provided by a third party such as hotel reservations or car rental, Ravn acts only as Passengers’ agent in doing so. The terms and conditions of the third-party service provider will apply.

Rule 2. Applicable Law

These terms of transportation shall be interpreted and enforced in any court of competent jurisdiction, including a court within the jurisdiction of the passenger’s residence in the United States (provided that Ravn does business in that jurisdiction).

Rule 3. Our Customer Commitment

Bookings made via the website or any third-party site may not seek a refund after purchase of any nonrefundable fare once the reservation has been purchased. Subject to payment or other satisfactory credit arrangements, a validated Ticket will be issued by Ravn or the authorized agent of Ravn indicating such confirmed reserved space provided the Passenger applies to Ravn or the authorized agent of Ravn for such Ticket at least 60 minutes before the scheduled departure time of the applicable flight. Such reservation of space is subject to cancellation by Ravn without notice if the Passenger does not comply with this Rule.

b. Exceptions:

   i. If the Passenger agrees to apply to Ravn or an authorized agent of Ravn for a validated Ticket indicating such confirmed reserved space by a specific time before the scheduled departure time of the applicable flight, such earlier time limit will be entered into Ravn’s reservation system and the reservation will then be subject to cancellation by Ravn without notice if the Passenger does not apply to Ravn or its authorized agent for a validated Ticket indicating the confirmed reserved space before the agreed specific time in advance of the scheduled departure of the applicable flight.

   ii. Where other Rules, including fare Rules, provide for the issuance, validation, or purchase of a ticket within specific time limits, these specific time limits will apply.

c. Once a Passenger obtains a Ticket indicating confirmed reserved space for a specific flight and date either from Ravn or its authorized agent, the reservation is not confirmed until the balance of the Ticket is at “zero,” meaning all fares & taxes have been paid in full.

d. Ravn will disclose at the time a reservation is made and prior to actual Ticket purchase, any available information regarding a change of aircraft that has the same flight number.

e. Upon request, Ravn will disclose general information regarding aircraft configuration, for the aircraft type on which the Passenger is booked. Variations may occur within an aircraft type.
f. Ravn will make available through its website or otherwise, Rules, restrictions, and redemption opportunities of any frequent flyer/rewards program (should a program become available). In addition, all fares may not be eligible for credit in such program. Please verify the fare Rules prior to purchase.

g. Ravn will disclose to a passenger, upon request, whether the flight on which the passenger is ticketed, at the time of the request, overbooked if, within the usual and ordinary scope of such Ravn employee’s work, the information is available to the employee to whom the request is directed.

h. Ravn does not guarantee allocation of any particular seat in the aircraft, including advanced seat requests.

i. Ravn may limit the number of Passengers carried at any fare level and certain fares will not necessarily be available on all flights. The number of seats which Ravn shall make available on a given flight will be determined by Ravn.

j. Waivers for Special Fare Restrictions: The following situations may allow relaxed fare restrictions for emergency travel situations involving death, critical injury or illness requiring hospitalization, including hospice care of an immediate family member provided proper documentation is made.

   i. Serious Illness Emergencies – The Passenger must provide Ravn with a written statement which provides the immediate family member’s name, relationship to the Passenger, the name and telephone number of the hospital/hospice, the doctor’s name, and a statement from the doctor that the immediate family member is actually hospitalized.

   ii. Death Emergencies – The Passenger must provide Ravn with a written statement which provides the name of the deceased immediate family member, the relationship of the deceased to the Passenger, the name, address and telephone number of the funeral home, and if possible, a copy of the death certificate. Note: If the funeral home information is not available prior to departure, it may be provided at the time of the return flight.

   If the above required written documentation is not submitted to Ravn’s satisfaction, the Passenger must pay the applicable fare for transportation used. The Passenger may then submit a refund request accompanied by the appropriate documentation within the time allowed for refunds under Rule 25.

k. Student and Child Fares – From time to time, Ravn may make available a special fare applicable to students attending a higher education facility in Alaska. These fares may range from discounts to normal fares to standby fares. Specific Rules apply to each fare and may differ from the standard
Contract of Carriage. Children do not receive discounts when flying on Ravn unless a special fare is published.

l. Specific fare Rules may override general terms of the Contract of Carriage.

m. Pre-purchased non-fare related items are nonrefundable unless the passenger was unable to travel due to an over sale situation or a flight cancellation.

**Rule 5. Cancellation of Reservations**

a. Ravn has the right to cancel reservations of any Passenger whenever such action is necessary to comply with any governmental regulation, upon any governmental request for emergency transportation in connection with the national defense, or whenever such action is necessary or advisable by reason of weather or other conditions beyond Ravn’s control, including Force Majeure events.

b. Ravn has the right to cancel reservations due to the Passenger’s failure to comply with the Rules set forth herein, including but not limited to, the Passenger’s failure to pay for the applicable Ticket under the conditions applicable to the fare for such travel.
c. Failure to Occupy Space. If a Passenger fails to occupy space which has been reserved for him/her on an Ravn flight and Ravn fails to receive notice of the cancellation of the reservation before the departure, or if any carrier cancels the reservation of any Passenger, Ravn may cancel all reservations held by such Passenger on Ravn flights or any other carrier for continuing (downline connection) or return space, provided Ravn or an authorized agent of Ravn originally reserved that space.

d. Airport Check-In Time Limit. Ravn has the right to cancel reservations, deny boarding and/or refuse the acceptance of checked baggage of any Passenger who fails to present himself/herself within the following time requirements for check-in of Passengers and/or Baggage:

i. Ravn requires that all customers check in at least 45 minutes prior to scheduled departure time.

ii. Passengers should be checked in and at their respective boarding gate at least 30 minutes minimum prior to scheduled departure time. This means that Passengers should have paid for any tickets, checked in their baggage (if any), and received a boarding pass. Boarding will commence 20 minutes prior to scheduled departure time. Failure to check in before commencement of boarding may result in a cancellation of reservation; should that occur, ticket will be subject to a fare change and change fee.

iii. Guests must be boarded (or on board) the aircraft 10 minutes prior to departure or reservations will be subject to our no show/cancellation policy.

You should make an allowance for traffic delays. Passenger and baggage processing time may differ from airport to airport. It is the passenger’s responsibility to arrive at the airport with enough time to comply with these minimum check-in time limits. If running late, it is suggested passenger call the Ravn Call Center with any delay advisories. Ravn will not delay any flight due to the late check-in of any passenger.

When confirming a reservation, please advise a phone number (preferably a mobile number) in the event Ravn must contact passenger prior to flight.

The time limits provided by Ravn in this Rule are minimum time requirements.

e. Ravn is not liable for any consequential, compensatory, or other damages when it cancels reservations of any Passenger in accordance with this
Rule, but if the reservation was cancelled according to paragraph a. of this Rule, See Rule 25.C.3.

f. Cancellation Policy

i. For any Ravn ticket, cancelled within 24 hours from the date of confirmation and made one week or more prior to a flight’s departure date, refunds will be refunded in full to the original form of payment.

iii. Cancellations and changes must be made by calling Ravn Call Center at 907-266-8394 during normal business hours. No cancellations will be accepted by email or phone message.

Rule 6. Tickets and Ticket Validity

a. Ravn is a paperless ticket airline. Reference(s) to a ‘ticket’ can also include an electronic document that may reside solely in the Ravn reservation system.

b. When more than one ticket must be issued to properly reflect all of the information required for a complete flight itinerary, the individual tickets will be cross referenced by their ticket numbers and are considered to be a single ticket or “Conjunction Ticket.”

c. Ravn will not be obligated to carry any Passenger until the Passenger has paid the applicable fare or has complied with credit arrangements established by Ravn. Only at that time will a ticket be issued.

d. No person will be entitled to transportation except upon presentation of a valid ticket.

e. A ticket which has not been validated or which has been altered, mutilated, or improperly issued, is not valid.

f. Flight coupons will be honored only in the order in which they were intended to be used and, in the case of handwritten tickets, only if all unused Flight Coupons and Passenger Coupons are presented together.

g. Tickets are not transferable unless otherwise stated on the Ticket at the time it was issued. Ravn is not liable to the owner of a ticket for honoring or refunding such ticket when presented by another person. If a ticket is in fact used by an unauthorized person with or without the knowledge or consent of the person to whom the ticket was issued, Ravn will not be liable for the destruction, damage, or delay of such unauthorized person’s baggage or other personal property, or for the death or injury of such unauthorized person arising from or in connection with such unauthorized use. As used herein, “unauthorized person” means any person other than
the person to whom the ticket is issued and who is entitled to be transported or a refund in accordance with the Rules in this Contract of Carriage.

h. A ticket will be valid only for flight(s) for which reservation(s) have been made and only between the points named on the ticket or applicable Flight Coupons. A passenger holding an unused open dated ticket or portion thereof, or an Exchange Order for onward travel, or who wishes to change a ticketed reservation to another date, shall not be entitled to any preferential right with respect to the obtaining of reservations.

i. Prohibited Practices:

i. Fares apply for travel only between the points for which they are published. Tickets may not be purchased and used within fare(s) from an initial departure point on the ticket which is before the Passenger’s actual point of origin of travel, or to a more distant point(s) than the Passenger’s actual destination being traveled even when the purchase and use of such tickets would produce a lower fare. This practice is known as “Hidden Cities Ticketing” or “Point Beyond Ticketing” and is prohibited by Ravn.

ii. The purchase and use of roundtrip tickets for the purpose of one-way travel only, known as “Throwaway Ticketing” is prohibited by Ravn.

iii. The use of Flight Coupons from two or more different Tickets issued at round trip fares for the purpose of circumventing applicable tariff Rules (such as advance purchase/minimum stay requirements) commonly referred to as “Back-to-Back Ticketing” is prohibited by Ravn.

j. Ravn’s Remedies for Violation(s) of Rules – Where a Ticket is purchased and used in violation of the Contract of Carriage or any fare Rule (including Hidden Cities Ticketing, Point Beyond Ticketing, Throwaway Ticketing, or Back-to-Back Ticketing), Ravn has the right in its sole discretion to take all actions permitted by law, including but not limited to any or all of the following:

i. Invalidate the Ticket(s).

ii. Cancel any remaining portion of the Passenger’s itinerary.

iii. Confiscate any unused Flight Coupons.

iv. Refuse to board the Passenger and to carry the Passenger’s baggage, unless the difference between the fare paid and the fare for transportation used is collected prior to boarding.
v. Assess the Passenger for the actual value of the ticket which shall be the difference between the lowest fare applicable to the Passenger’s actual itinerary and the fare actually paid.

vi. Delete miles in the Passenger’s frequent flyer account, terminate the Passenger’s participation in the frequent flyer program, or take any other action permitted by the Frequent Flyer Terms and Conditions in Ravn’s “Frequent Flyer Program” (if applicable).

vii. Take legal action with respect to the Passenger.

k. Period of Validity – Except as otherwise provided in this Rule or required by the applicable local law of a foreign jurisdiction, any eligible ticket issued by Ravn or its authorized agent on Ravn ticket stock will be valid for transportation for one year from the date on which transportation commences at the point of origin as designated on the original ticket or, if no portion of the ticket is used, one year from the date of issuance of the original ticket. When a ticket includes an excursion or special fare having a shorter period of validity than one year, the shorter period of validity will apply only to the excursion or special fare transportation. When a fare limits the carriage to specific periods of the day, week, month, or year, the ticket is valid for the specified periods only. When fares are combined to create Round/Circle/Open-Jaw Trips, the most restrictive provisions will apply to the entire transportation. Note: Nonrefundable fares limit the period of validity.

l. Failure to cancel a ticketed reservation before departure will result in loss of confirmed space, and the ticket will lose all value and a new ticket must be purchased. No rebooking is permitted.

m. Extension of Validity Period

i. If the Passenger is prevented from using the ticket, or a portion thereof during the period of validity specified in this Rule due to a Ravn flight cancellation or because Ravn is unable to provide space on the flight, Ravn will, without additional collection of fare, extend the ticket validity period of such passenger’s ticket until the first flight of Ravn, on which space is available in the class of service for which the fare has been paid.

ii. If the Passenger is unable to commence or continue his/her travel due to his/her personal illness or physical incapacity, or the illness, death, or physical incapacity of a member of his/her immediate family, or of an associate with whom he/she is traveling, Ravn will extend the period of validity beyond the original limit but not to exceed thirty (30) days.
n. Waiver of Minimum Stay Requirements – Special Fare. In the event of the death of a passenger enroute, the minimum stay and group travel requirements with regard to any special fares will be waived for passengers who are immediate family members of the deceased passenger or were otherwise actually accompanying the deceased passenger, on the following conditions:

i. The ticket must be endorsed “earlier return on account of death of (name of passenger)”; and

ii. A copy of the death certificate duly executed by the competent authorities under the applicable laws of the country in which death has occurred must be presented to Ravn at the time of re-ticketing. Passengers will be accommodated under this provision only in the class of service originally ticketed.

NOTE: If the death certificate is not available at the time the passenger requests re-ticketing under this provision, or if documentation satisfactory to Ravn has not been provided, the passenger(s) requesting re-ticketing will be accommodated only upon payment of the fare applicable to transportation actually used and a request for a refund may later be filed with Ravn with the documents required. Upon receipt of the request for a refund and all supporting documents, Ravn will determine whether a refund to the Passenger is appropriate. If so, the maximum refund will be the difference between the total fare paid by the Passenger and the amount such Passenger would have paid if a waiver had been originally furnished under the provisions of this Rule.

o. Ticket Issue Date – The date when payment is made by credit card, or the ticket invoice date established when payment is made by other acceptable form of payment, will constitute the date a Ticket is “issued” in determining the validity period under this Rule.

Rule 7. Electronic Vouchers

General Terms and Use – Electronic Vouchers (Vouchers)

b. Vouchers may not be sold without written permission of Ravn.

Changes to reservations using a voucher must abide by all fare Rules regarding changes, cancellations, and baggage limitations. Reservations paid using a voucher must be utilized prior to the expiration of the voucher.

g. Vouchers may be booked in any available normal fare.

h. Residual amount vouchers (vouchers with a dollar amount) can be used towards any services offered by Ravn. These vouchers may not have their expiration date extended.

i. Vouchers may be used via the online web portal, through Ravn reservations, or any airport ticket office. Any residual value shall reside on the same voucher.

j. Reservations completed using a voucher must be completed prior to the expiration date of a voucher, unless previously agreed or noted.

k. Reservations completed using a voucher that require changes or cancellation will be refunded to a new voucher and PIN.

Rule 8. Returned Check Acceptance

Ravn does not accept personal checks. Ravn will, under certain circumstances, allow for payment with a company check, certified check, money order, or money transfer. Ravn will collect USD $35.00 for each returned business check or for any Stop Payments to any check. This fee is nonrefundable and is not subject to any discount. Other Portable Oxygen Concentrator brands and models may be carried in the cabin with batteries removed if they meet Ravn’s carry-on size and weight requirements, or they may be carried as checked baggage. Ravn may accept other brands and models for use on board in the future as they become approved by the FAA and Ravn. Check with Ravn Reservations for current acceptable Portable Oxygen Concentrators.

iii. Customers must satisfy specific requirements prior to boarding the aircraft. The customer:

A. Must provide 48 hours advance notice in the reservation record that he/she is planning to use a POC on board the flight.
B. Must have a signed written Doctor’s statement that:

(1) States the user of the POC has the physical and cognitive ability to see, hear and understand the device’s aural and visual cautions and warnings and is able, without assistance, to take appropriate action in response to those cautions and warnings.
(2) States whether or not oxygen use is medically necessary for all or a portion of the flight(s) listed on the customer’s itinerary.
(3) Specifies the maximum oxygen flow rate in liters per minute corresponding to the pressure in the cabin of the aircraft under normal operating conditions.
(4) Will be reviewed at the airport prior to boarding and must be kept by the customer and provided upon request by Ravn personnel at any time during travel.
(5) Customers may use the Medical Verification Statement available by request from Ravn Reservations or Ravn’s Director of Passenger Service.

C. Must ensure that he/she has ample batteries to power the POC for the duration of his/her flight plus three (3) additional hours to allow for unanticipated delays and any ground connection time where the POC is planned to be used. Ravn does not have electrical power available for customer use on its aircraft.

D. Must ensure that all extra batteries are properly protected from short circuiting by either:

(1) Having recessed battery terminals or;
(2) Packing them so that the batteries do not contact metal objects including the terminals of other batteries.

iv. Failure to meet the requirements will result in denied use of the POC during travel. Customers planning on traveling with POCs are solely responsible for advising Ravn as soon as reservations are confirmed, regardless of whether the reservations were made through a travel agent, on the internet or directly with Ravn, in order to confirm specific requirements and to provide the airline with required information.

v. When connecting to or from any codeshare flight or any interline flight, customer is responsible for notifying and making independent arrangements directly with the other airline. The current FAA authorization enables but does not require airlines to accept POCs and some airlines may not accept them or may require a fee.

vi. POCs are assistive devices for customers with disabilities. As such, they do not count toward carry-on or checked baggage limits, whether or not they are used on board. They must be able to fit underneath the seat or in an overhead storage compartment.

vii. Ravn is not liable for POC equipment failures, failure of the batteries that power the POC, or any other losses or damages alleged by the customer or any other person arising out of the use or possession of the POC, unless caused by the gross negligence or willful misconduct of Ravn.

c. Medical Transport Services – Ravn does not provide transportation to passengers who must travel in/on a stretcher or infants who must travel in incubators or Infant Transport Systems.

Rule 14. Animals in Cabin
General Information

Animals must remain with and under the control of the traveler, must be well behaved, harnessed with a leash and/or placed in a soft kennel or carrier.

Animals must be harmless, inoffensive, clean (free of fleas, ticks, or any biting insects), well groomed, and without any offensive odor(s), and require no attention during transit.

Animals must not pose a threat to the health and safety of the other passengers travelling. If the animal is deemed unsafe or aggressive by nature, Ravn reserves the right as determined by the Pilot/Co-Pilot and/or Customer Service Agent to deny boarding to any animal that is deemed unsafe; no other passengers will be involved in this decision.

Animal and owner cannot display any disruptive, unruly, and aggressive behavior at any time prior to and during boarding, and especially while during the flight. Also, animal must also not pose a threat (including a perceived notion) to the safety or health of the other passengers traveling. In the event, the animal (and/or owner) becomes offensive or causes a disturbance during transit; they may be removed, at the Captain’s discretion, at the first stop.

Ravn reserves the right to levy any fees to the traveler/owner, in the event there are damages or cleaning fees incurred to the aircraft related to the transportation of the pet.

Due to limitations of size and manufacture of the aircraft, there are limits to the size of any animal transported on Ravn. Animals must be able to fit under the seat in front of you. The animal cannot interfere with the operation of the passenger’s seat belt. They can in no way impede egress from the aircraft in the event of emergency.

Ravn will not accept any snakes, reptiles, ferrets, rodents, and spiders as Service Animals, Emotional Support Animals, or Pets.

Ravn will not be liable for loss or expense due to the Passenger’s failure to comply with the provisions of this Rule, including, without limitation, if any animal is refused passage into or through any state or country.

The liability ceiling for Ravn shall not exceed $2,000 USD in the event of a death of a pet.

The passenger assumes full responsibility for the safety, well-being, and conduct of its animal, including the interaction of the animal with other passengers who may come in contact with the animal while onboard the aircraft, and for
compliance with all governmental requirements, regulations, or restrictions, including entry permits and required health certificates of the country, state, or territory from/or to which the animal is being transported.

Ravn reserves the right to deny boarding of any pet if any conditions outlining the restrictions or rules are not met.

**Service Animals and Emotional Support Animals**

Ravn welcomes, without charge, trained Service Animals and Emotional Support Animals. Service Animals are allowed when accompanying an individual that requires assistance with a disability. These specially trained animals perform a function or service to assist and help a passenger in the management of their disability.

The U.S. Dept. of Transportation advises that, under the Air Carrier Access Act (ACAA), a service animal is any animal that is individually trained or able to provide assistance to a person with a disability; or any animal that assists persons with disabilities by providing emotional support. Documentation may be required of passengers needing to travel with an emotional support or psychiatric service animal. Notwithstanding the goals of the ADA and Ravn’s desire to accommodate everyone possible, safety is still the number one concern. It may not be possible to accommodate all animals even with proper service animal documentation due the limitations of the design of the aircraft.

Ravn will not be liable for illness or injury to an animal or death of an animal when the animal has been handled by Ravn with ordinary standards of safety and care or when Ravn has acted in the interests of the entire flight such as in an emergency or a force Majeure event.

**Non-Service Animals (Pets)**

Ravn considers pets to be cats and dogs for the general term of ‘Pets in Cabin,’ and will hereafter refer to them as ‘Pets.’ Ravn accepts domesticated animals only.

As a general rule, Ravn will normally accept one pet per flight. Exceptions may be made at the discretion of the Pilot in Command. A Service Animal will take precedence under all circumstances. Pets are booked on a space available basis; advance notice is highly suggested by contracting our Call Center at 907-266-8394 to include your pet on the flight you are traveling on.

a. Ravn accepts most breeds of domestic dogs and cats for flight; however, Ravn reserves the right to deny boarding to any breed we deem unsafe or not fit to fly. The Pilot in Command has the final decision.
b. Pets must be at least 8 weeks old and weaned.
c. Muzzled, pregnant, injured, or ill pets will not be accepted.
d. Ravn will not transport an animal if the animal is in the custody of an Unaccompanied Minor.

Rule 15. Ground Transfer Service

a. Ravn may provide ground transfer service between airports.
b. Except where ground transfer service is directly operated by Ravn, it is agreed that any such service is performed by independent operators. Anything done by an employee, agent or representative of Ravn in assisting the passenger to make arrangements for such independent ground transfer service shall in no way make Ravn liable for the acts or omissions of such independent operator.
c. In cases where Ravn maintains and directly operates local transfer services for its passengers, the terms, conditions, Rules and Regulations of Ravn using but not limited to, those stated or to which reference is made in Ravn’s Tickets, Baggage Checks and baggage valuation agreements shall be deemed applicable to such local ground transfer services. No portion of the air transportation fare shall be refundable in the event local ground services are not used by the passenger.

Rule 16. Codeshare Service

Presently, Ravn has no codeshare service.

Rule 17. Travel Documents

a. Each Passenger desiring transportation across any international boundary is responsible for obtaining all necessary travel documents and for complying with the laws of each country flown from, through or into which he/she desires transportation. The Passenger will pay or reimburse each carrier for any loss, damage, or expense suffered or incurred by such carrier by reason of such Passenger's failure to do so. Ravn is not liable for any assistance or information provided by any agent/employee of Ravn to any passenger relating to such documents or compliance with such laws, or for the consequences to any passenger resulting from his/her failure to obtain such documents or to comply with such laws. Where legally permitted, Ravn reserves the right to hold, photocopy or otherwise reproduce a travel document presented by any Passenger.
b. Subject to applicable laws and regulations, the Passenger must pay the applicable fare whenever Ravn, on government order, is required to return a Passenger to his/her point of origin or elsewhere due to the Passenger's
inadmissibility into/or deportation from a country. The fare will be the applicable fare in effect at the time of the original Ticket’s issuance. Any difference between the applicable fare and the fare paid will be collected from or refunded to the Passenger, as the case may be. Ravn will apply to the payment of such fares any funds paid by the Passenger for unused carriage or any funds of the Passenger in possession of Ravn. The fare collected for carriage to the point of refusal of entry or deportation will not be refunded by Ravn unless the law of such country requires that the fare be refunded.

c. This Rule and its limitations include, but is not limited to, Travel Documents related to travel by minors. Some countries require special documents for minors traveling with only one parent to/from an international destination.

**Rule 18. Screening of Passengers and Baggage**

Passengers and/or their baggage are subject to security screening, including but not limited to, security profiling, physical pat-downs and inspections, x-ray screening, manual bag searches, questioning of Passengers, and use of electronic or other detectors or screening or security devices, in the sole discretion of the government, airport, or Ravn, and with or without the Passenger’s presence, consent or knowledge. f. Failure to Pay – Whenever a Passenger has not paid the appropriate fare for a Ticket, baggage fees, or applicable service charges for services required for travel, or produced satisfactory proof to Ravn that the Passenger is an authorized non-revenue Passenger or has engaged in a prohibited practice as specified in Rule 4.
